

The Students' Association of Natural Science, Uppsala. Geological Division.

Meeting May 4th, 1953.

14 persons present.

Dr. O. BROTZEN gave a lecture on "Fissure tectonics in the Boliden district".

Meeting October 9th, 1953.

22 persons present.

Prof. H. BACKLUND gave a lecture with the title "A look on the so-called Archaean of Spain".

Meeting November 12th, 1953.

12 persons present.

The following officers were elected: Dr. N. MARKLUND, Chairman. Mr. Å. HÖRNSTEN, Toastmaster. Mr. B. LINDQVIST, Treasurer. Mr. A. SAHLIN, Secretary.

Dr. B. COLLINI and Mr. G. STÅLHÖS spoke on their field research in Dalecarlia and in the Hede district respectively.

Meeting November 26th, 1953.

17 persons present.

Dr. G. KAUTSKY gave a lecture on "The tectonics of the Sulitelma-Salojaure district".

Meeting December 7th, 1953.

15 persons present.

Dr. ASTRID CLEVE VON EULER gave a lecture titled "To the knowledge on the Late Glacial of Denmark".

Meeting December 10th, 1953, together with the Palaeontological Seminary.

13 persons present.

Prof. P. THORSLUND reviewed "The enigma of the first fossils". Colour slides from the geological and palaeontological excursion to Norway were shown.

Meeting January 15th, 1954.

16 persons present.

Dr. TÓMAS TRYGGVASSON gave a lecture titled "Geological studies in connection with a power plant construction in Iceland".

Meeting January 21st, 1954.

19 persons present.

Prof. O. ZDANSKY spoke on "Banded flints from Egypt" and Prof. P. THORSLUND on "A peculiar inclusion in Orthoceras limestone".

Meeting February 11th, 1954, together with the Palaeontological Seminary.

20 persons present.

Dr. B. BOHLIN and Dr. V. JAANUSSON gave a lecture on "Stratigraphy and lithology of the Orthoceras limestone of the core from Böda Hamn, Öland".

Meeting February 18th, 1954.

16 persons present.

Dr. B. ASKLUND gave a lecture on "The sparagmite stratigraphy, illustrated by new observations in Ströms Vattudal".

Meeting February 25th, 1954.

15 persons present.

Drs. S. and MAJ-BRITT FLORIN gave a lecture on "Neolithic peasant and trapper settlements in Södermanland".

Meeting March 11th, 1954.

— — —

Dr. T. ERIKSSON gave a lecture on "The Archaean of Norrbotten".

Meeting March 18th, 1954.

21 persons present.

Dr. N. MARKLUND gave a lecture titled "Is the Archaean round Nasafjäll autochthonous?".

Meeting March 30th, 1954.

19 persons present.

Mr. Å. HÖRNSTEN spoke on "The future of the Bothnian Sea".

Meeting April 29th, 1954.

17 persons present.

Dr. B. BOHLIN spoke on "The Tertiary of Tsaidam".

Meeting November 11th, 1954.

11 persons present.

The following officers were elected: Mr. Å. HÖRNSTEN, Chairman. Mr. B. M. P. LARSSON, Secretary. Mr. H. LINDHOLM, Treasurer. Mr. R. GORBATSHEV, Toastmaster.

Mr. A. STRÖMBERG gave a lecture on "The bedrock of Härjedalen".

Meeting November 18th, 1954.

21 persons present.

Dr. B. COLLINI gave a lecture on "The Lower Cambrian sandstone at Dylta".

Meeting December 3rd, 1954.

17 persons present.

Dr. S. LANDERGREN spoke on "The geochemistry of the deep sea sediments".

Meeting February 10th, 1955.

20 persons present.

Prof. H. BACKLUND gave a lecture on "The Caledonian chain in Eastern Greenland".

Meeting February 17th, 1955.

23, 28, and 25 persons respectively present at the following lectures:

Dr. CHR. OFTEDAHL: "Some mineralogical problems in the Oslo region." Prof. H. BACKLUND: "Correlations across the Northern Atlantic." Dr. CHR. OFTEDAHL: "The Permian of the Oslo region."

Meeting March 16th, 1955.

23 persons present.

Dr. P. H. LUNDEGÅRDH spoke on "The bedrock and its geology of the Uppsala district".

Meeting May 6th, 1955, together with the Zoological Division.

42 persons present.

Dr. N. G. GEJVALL gave a lecture on "The evidence of the skeleton finds from ancient times".

Meeting May 12th, 1955.

17 persons present.

Dr. Å. SUNDBORG read two lectures (one of which written by Prof. F. HJULSTRÖM) on "Problems in connection with the occurrence of aeolic silt in Sweden", and Mr. Å. FALK gave an account of field research on the same item.

Meeting October 13th, 1955.

22 persons present.

Dr. A. CLEVE VON EULER gave a lecture on "The Baltic Ice Lake".

Meeting October 28th, 1955.

15 persons present.

The following officers were elected: Mr. Å. HÖRNSTEN. Chairman. Mr. H. W. LINDHOLM, Treasurer. Mr. R. GORBATSHEV, Toastmaster.

Dr. P. H. LUNDEGÅRDH gave a lecture with the title "A survey of the bedrock of the Gävleborg district".

Meeting November 10th, 1955.

16 persons present.

As Secretary was elected Mr. A. MARTINSSON.

Dr. H. J. KOARK gave a lecture on "A journey through the mountain regions of Auvergne".

Meeting November 24th, 1955.

15 persons present.

Prof. E. NYSTRÖM gave a lecture on "Iron production in China. With a survey of the iron deposits of China".

Meeting December 8th, 1955.

20 persons present.

Terminological discussion on the item "Eocambrian"—"Sparagmitien". Introductory lectures: Professor P. THORSLUND: "Nomenclature in stratigraphical classification." Dr. G. KAUTSKY: "The Eocambrian of Sweden."
